- Team-Oriented

STEVEN GICHARU MUNGAI

Software Developer

Passionate, hands-on, and solutions-driven Computer Science enthusiast with a Bachelor of Science in Mathematics and Computer Studies from Kirinyaga University (Class of 2024). A natural problem solver with a strong analytical mind, Stephen blends theoretical knowledge with practical experience gained through an internship as an IT Administrator. He thrives in dynamic environments, tackles challenges head-on, and possesses a strong hunger for innovation and growth in the tech space.

Experience

IT Administrator (Intern)

ByteNest Solutions Ltd, Nairobi, Kenya

July 2023 – September 2023

- As part of a small but innovative tech firm, Stephen quickly adapted and assumed critical responsibilities that had real-time impact on the company's IT infrastructure.
- Key Duties:
 - Maintained and updated internal network systems, ensuring 99.9% uptime.
 - Provided tech support to both staff and clients, solving over 50+ tickets during his internship.
 - Assisted in setting up new user accounts, configuring hardware, and ensuring secure access protocols.
 - Participated in the migration of data systems to a secure cloud-based platform.
- **Key Achievements & Lessons:**
 - Gained real-world experience in systems administration and cybersecurity basics.
 - Honed troubleshooting and communication skills through daily user interaction.

Computer Lab Assistant (Part-time)

Kirinyaga University ICT Department

January 2022 – April 2022

- Before completing his degree, Stephen took on a part-time role to assist with managing the campus computer lab.
- Responsibilities:
 - Helped students with technical issues and guided them on software usage.
 - Ensured all systems were running smoothly and reported any malfunctions.
 - Performed daily maintenance checks on lab equipment.
- This role, though junior, instilled a strong work ethic and taught Stephen the importance of patience, communication, and meticulous attention to detail.
